ANCIENT MARINER'S SAILING SOCIETY

January 1986

FROM THE HELM

IT IS WITH PRIDE THAT I ACCEPT THE RESPONSIBILITY OF COMMODORE OF THE ANCIENT MARINERS SAILING SOCIETY FOR 1986.

I know this year will be an interesting one for us all. Our first board meeting lasted long into the night, as your new board and myself made the basic plans for the whole year of 1986. Please note that we will NOT meet every month. We will have nine formal general meetings and eight events with informal meetings. (See CALENDAR OF EVENTS.) The meetings that have been eliminated were historically not well attended. Please mark your calendars!

Chris Frost has promised to make our General Meetings exciting, interesting and informative. Anyone with any special ideas should contact him at his shop (Downwind Marine 224-2733). Our first meeting, January 2nd, will be a presentation by John Frost on his recent trip to Costa Rica, Galapagos Islands and South Pacific. This trip was aboard the schooner "White Cloud", owned by our previous commodore, Paul Mitchell.

The "Albatross" will continue to come out on a monthly basis so we can keep you all informed on what is happening. Should anyone like to help with the "Albatross" contact Sheila DeWeese (284-6301) or Carl Shipek (223-3848).

The Commodore's Cup and Commodore's Ball or ? are currently being planned for February 15th and 16th. Monday, February 17th, is President's Day and some people have the day off. So we have planned to hold the "Saint Valentine's Day Dinghy Massacre" on Monday. We are also trying to get the Californian out for the Commodore's Cup. So plan on making it a fun filled AMSS three day weekend.

Your past and present board both concur that classic motor vessels shall be allowed to join the club. Before this happens we need to set up qualifications. Please let me know if any of you are interested in helping with this project.

I hope to see you all at the January 2nd meeting and wish you all a Happy New Year.

Lonnie Lynch
