NOVEMBER MEETING

Rich Gobin, a long time friend of the AMSS, has recently returned from the East Coast. Last summer he took a multitude of slides of two classic yacht races (one being a classic schooner race). Rich will share these with us in a presentation, Thursday night.

FROM
THE

Helm

Howdy Folks,
Well, we are now
on the downwind leg of
1986.

All of us that made the trip to Oceanside had a great time, despite the slightly "rough" start. The Commodore of the Oceanside Yacht Club has recently written me and thanked us for our participation in their event. They look forward to us next year and have already arranged for a race committee boat.

The ASCOT Car and Boat Show was well attended with six of our boats on display. We even had our first participation of a "power" vessel. C.F. Koehler brought his Koehler Kraft to be on display.

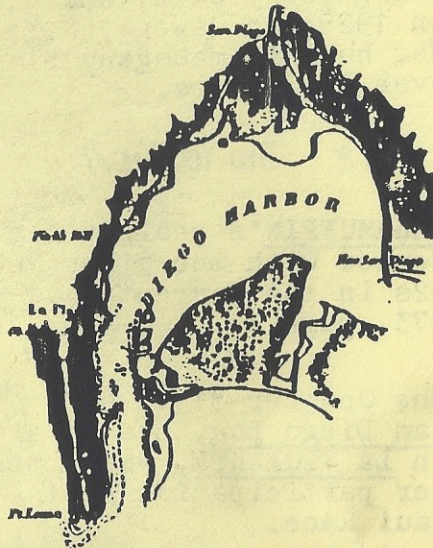

See you all at the meeting on Thursday night, Nov. 6th.

Until then,

Oceanside

Congratulations to DAUNTLESS for her first place in the Racing Class at Oceanside, and SEA BRIG for her first place in the Cruising Class. Unfortunately, amidst the confusion, the official race results were misplaced. So would anyone out there knowing the rest of the results, kindly contact me (Sheila - the editor), and I will gladly publish all results next month?

A special Thank You to the Oceanside Yacht Club and Harbor Days Committee, for providing a wonderful weekend. This event has once again been one of the highlights of the year.

Richard Wright and I, Sheila DeWeese, are compiling assorted information for a 1987 Directory. The enclosed sheets are both the information we currently have on you and your boat, and an example of all of the information we would like to have. Any photograph AND/or line drawing are needed. We would also like a short history of no more than 10 typewritten lines. Narratives appearing in the 1983 Directory may be edited or reused unless you write a new one.

Please send in all updated information with your 1987 dues to the AMSS address: P O Box 6484, San Diego, CA 92106. If we do not receive this updated information by January 31, we will assume that all data is correct and will publish it as is. Only current 1987 dues paying members will be in the directory, which will be printed in February and available by the March meeting. Dues, of \$25., are officially due on January 1st, 1987.

It has been suggested that a Classified Add Section be included in the Albatross. Those of you that have anything that you want or want to sell, send a post card or note with a short description, name and phone number to: Richard Wright, 4505 Coronado Avenue, San Diego, CA 92107. Examples:
