Ancient Mariners  Sailing Society

May 13, 2023 brought us atypical weather for our annual Spring Regatta: a cool marine overcast, with no glint of sun, and with little breeze to recommend it at the start. Several of the Kettenburg PCs, sailing without motors, requested tows to make the starting line on time. But this did little to dampen the spirits of our enthusiastic fleet, which was especially apparent at the post-race Yesteryear Raffle and awards.
